

# INTRODUCTION TO TAPESTRY WEAVING

*with Margo Macdonald*

In this series students will learn the basic techniques of tapestry weaving, designing for tapestry, and creating their own first piece. This series is brought to you in partnership with Two Waters Arts Alliance.

## **Instructor:**

Margo Macdonald has exhibited tapestry and paintings throughout the Northwest for the past thirty years and is represented in public collections throughout the United States. Her work reflects the immediate environment with an emphasis on realism.

**Located at The Mustard Seed Project
